Sir:

It has recently come to our attention that there may be an error in the patent term adjustment calculated by the U.S. Patent and Trademark Office for the above-referenced patent application. Specifically, the patent term adjustment pursuant to 35 U.S.C. 154(b) of 346 days indicated on the Determination of Patent Term Adjustment, PTOL-85, may extend the term of this patent by too many days. Please review the calculation of the patent term adjustment and make corrections, if necessary.

Respectfully submitted,

Amir N. Penn
